TACKLE HUNGER FEBRUARY 5TH

Did you know that during Super Bowl week last year, youth across the nation raised over \$10 million for charities that help the hungry and the hurting through participating in Souper Bowl of Caring? Through this national movement, America's teens are transforming Super Bowl weekend into the nation's largest youth-led weekend of giving and serving.

The Bethel children and youth are involved in the Souper Bowl of Caring because it is a simple and meaningful way for our kids to learn about the needs in our community and do something to help.

They also learn that when we all work together, big things can happen! Such as the simple, but significant service project we are calling “Operation Survival Kits”. We’d like to say “THANK YOU” to Kayli Gribi for getting this service project started and to the congregation for donating the supplies for the kits. Our youth will be handing out the completed kits at the Souper Bowl of Caring service on February 5th for those who would like to help out the homeless.

Our children and youth believe this movement is special and would like to invite you to get involved.

- Bring canned food and place it in the barrel of your favorite Super Bowl team
- Or bring monetary donations that will be collected in soup pots at the end of the service.
- Pick up a Survival Kit to give to someone in need after the service.

Our collection will go directly to the North County Food Bank! We hope to see you all there on Sunday, February 5th at 10:30 am!

Blessings from Bonnie
